My child's 11th birthday party was a very big success. Staff were all friendly and nothing was too much for them to do. All 18 boys loved it, even the parents!! Would highly recommend. Ellis was our host and he was brilliant. The boys loved him and he made my sons party extra easy for me as he arranged everything.

Hired out KickX for my son's 9th Birthday. Everyone had an amazing time. Such a brilliant venue for something a bit different. Suits all abilities. Great staff and excellent facilities. Will be coming back for another session soon for sure. Thanks all at KickX.

We went for my son's bday party and we couldn't fault it one bit - the kids loved it! From answering my questions over the phone to helping us out when we were there, they couldn't do enough for us! It's great to see new companies like this pop up and I wish them the best of luck for when they expand, especially Jorkyball. I fully recommend and would definitely return.

I booked a party at KickX for my sons 13th birthday. The boys had such a brilliant time on the Padbol court and some fun Panna games followed by a penalty shoot out. The party hosts were great and the set up is very well organised. We will definitely be back!
